presents

First International Symposium on Tribal Health -25

FIST'25

at

The Auditorium, AIIMS,
Nagpur, Maharashtra, India

From 31st January 2025 - 2nd February 2025

A Tribal ERA of Health through Education, Research, and Awareness

Through our mission, Tribal ERA—Education, Research, and Awareness—we are committed to transforming lives and fostering a healthier future for Indigenous communities.

This symposium aims to address the pressing health challenges faced by tribal and indigenous populations.

20+ National & International Speakers

Engage with national and international renowned experts sharing their insights on tribal health.

In-depth & Exciting Scientific Sessions

Attend a diverse range of lectures covering the latest research and innovations.

Collective Endeavours for Change:

Work together with professionals to drive impactful policy changes in tribal health and well-being.

Join us for this exciting initiative!

The event is open to a **limited number of participants**.
Registrations are now open for all healthcare professionals.
For Faculty & PG students, UG students (AIIMS, Nagpur) only.
